

[SPRACHE MEIN STERN](#) by Ruth Benrath & Ulrike Haage RBB DLF KULTUR BR2 2020

This first Vignette is called „Versenkung“ (Immersion, Contemplation).

It is 1:09 Minutes long. A Haiku, a Vignette. I include an English translation and the MP3. I can upload it as a wave file later.

Versenkung

**A Radio Vignette by Ulrike Haage (Music) & Ruth Johanna Benrath (Text)
& Veronika Bachfischer (Voice)**

produced by the Radio Berlin Brandenburg, Bavarian Radio 2 and Deutschlandfunk Kultur 2020

Immersion

every day anew

a delicate bell sound

heard over the hills

grass still wet, almost steaming

human being a laugh of God
